

Bard College at  
**SIMON'S ROCK**

# ANNUAL REPORT OF GIVING

2022 – 2023

## NEW DIRECTIONS. NEW OPPORTUNITIES.

Of the many things we have enjoyed most throughout our service to Bard College at Simon's Rock as Provost and Chairman of the Board of Overseers, respectively, we are proudest of the College's ability to work as resourcefully and creatively as possible in support of our extraordinary students and faculty. That spirit of innovation has served us well and continues to today. Simon's Rock was recently ranked by *U.S. News and World Report* as #1 Best Undergraduate Teaching (tied) and #2 Most Innovative Schools (tied).

In the last year alone, we successfully launched two new strategic initiatives and programs: the Center for Food & Resilience; the Bard Queer Leadership Project at Simon's Rock; and significantly supported the Bard Emergency Ukrainian Student Refuge Program and Evacuation and Resettlement and Efforts for Students from Afghanistan. In addition, we are currently pursuing transformational funding opportunities for one of our signature programs on the Caribbean island of Montserrat. As a result of the generous support of our alumni, parents, and friends, we secured more than \$2.8 million in annual gifts, making these things possible. Our supporters also made

commitments and outright gifts of more than \$12 million to our endowment. These contributions serve as the financial bedrock for us to secure Simon's Rock's future as the extraordinary place it has been for more than 55 years.

In addition, we hosted a speaking series that included Book One, Founders Day, the W.E.B. DuBois Lecture, and campus Pride celebrations. Molly McCully Brown '08 helped launch the academic year as our Book One author and speaker. Great Barrington native Delano Burrowes delivered our W.E.B. DuBois Lecture in February and Anne Thalheimer '91 joined us during campus Pride celebrations in March. Finally, we proudly welcomed Eric Huang '88 back to campus as our Commencement speaker and hosted more than 100 guests for our first Alumni Reunion since 2019.

None of this would be possible without your ongoing philanthropic commitment. Simply put, for us to continue doing what we do, we need your support.

Thank you again for all you have done and will continue to do for the Rocker community.

Sincere thanks,

John B. Weinstein  
Vice President & Provost
